Lead the change for the world to reckon.  
JAI HIND!! JAI BHARAT!!**

Dear Parents,

We are thrilled to invite you to the Republic Day celebration at Coral Bells International School. Join us for the 'Rangarang Karyakram' on 26th January, Friday, 2024 where the flag will be unfurled at 8:30 a.m. in the school premises. At Coral Bells, we embrace a global perspective while nurturing a strong sense of nationalism in our students. As we believe, "**As I am, so is my nation,**" we strive to instil this ethos in our students, who, in turn, become ambassadors of unity and patriotism.

This Republic Day, let's come together to celebrate the rich tapestry of our heritage and the values that bind us as a nation. Our children are not only taught to think globally but also to cherish their roots.

As part of our commitment to holistic education, we are honoured to collaborate with **EHS Shiksha Foundation**, an Environment Health Safety NGO, during the National Road Safety Week. They will guide us on the importance of road safety, ensuring our children grow up in a secure and responsible environment.

Join us on this auspicious day as we not only celebrate our nation's pride but also pledge towards a safer and more conscientious future for our children.

Regards,

---
