Dear Parents,

We are thrilled to announce the exciting competitions lined up for the month of June! At Coral Bells International School, we believe in nurturing creativity and imagination. This month, we have planned two wonderful events designed to spark the artistic talents of our students.

Pre-Primary: Coloring Competition

Let your little ones dive into a world of colors! Our Pre-Primary students will showcase their creativity in a fun-filled coloring competition. This is a fantastic opportunity for our youngest artists to explore their love for colors and express their vibrant imaginations.

Grades 1-8: Drawing & painting Competition

For our budding artists in Grades 1 to 8, we have organized a drawing competition. With the theme 'Monsoon Magic.' This is your chance to bring the wonders of the rainy season to life on paper! Whether it's a scene of children splashing in puddles or the vibrant flora and fauna that come alive during this season, we can't wait to see your creativity shine through.
