Dear Parents,  
Warm Greetings!

Field trips play a crucial role in the holistic development of young children. They offer a break from the routine, stimulate curiosity, and enhance social skills. They provide students with an opportunity to explore a new environment, interact with their peers, and learn through play way method.

We are thrilled to announce an exciting field trip for our pre-primary students to McDonald's on Wednesday, 31st July 2024. This fun-filled visit promises to be a delightful and educational experience for our little ones. The visit to McDonald's will not only be a treat but also an engaging way for our students to observe, learn, and enjoy.

**Important Information:**
