Grade: Preprimary

Date: 23 August, 2024

Dear Parents,

We are thrilled to inform you that our pre-primary section will be celebrating 'Dahi Handi' on Friday, 23rd August! This fun-filled event is part of our 'Krishna Janmashtami' celebrations, a time when we come together to honor the birth of Lord Krishna and the joyous tradition of Dahi Handi.

Krishna Janmashtami marks the birth of Lord Krishna, who is known for his wisdom, charm, and mischievousness. One of the most popular stories associated with Krishna is his love for butter and curd, which is why we celebrate with the exciting Dahi Handi ritual.

What's in Store for Our Little Ones?

- Pot Decoration Competition:** We request each student to bring one small clay pot and decorative materials like paint, beads, or glitter. Our little Radhas and Krishnas will have the opportunity to decorate their own pots, making the celebration even more special.
- Dress-Up:** We encourage all the boys to dress up as little 'Krishnas' and the girls as beautiful 'Radhas'. Let's bring the magic of Vrindavan to life with their adorable costumes!

This celebration is all about immersing our young learners in the rich cultural heritage of India in a fun and creative way. We can't wait to see their joyful participation!

Important Details:

- Date:** Friday, 23rd August
- Time:** During school hours
- What to Bring:** One small clay pot and decorative materials
- Dress Code:** Girls as 'Radha' and Boys as 'Krishna'

Let's make this Janmashtami celebration a memorable one for our little Radhas and Krishnas!
